

# Invitation to 2<sup>nd</sup> Bear Weekend Pilsen

8.-10. 6. 2018

Pilsen bears cordially invite you from 8<sup>th</sup> to 10<sup>th</sup> of June 2018 to

## 2<sup>nd</sup> Bear Weekend Pilsen

Accommodation can be found through [Airbnb.cz](https://www.airbnb.cz) or [penziony.cz](https://www.penziony.cz).

### Program:

**Notice: Reservation of selected program actions is obligatory [here](#), until 31<sup>st</sup> of May.**  
So we can ensure a sufficient amount of seats.

Since we wanted to make the event different than last year, it will take place during traditional „**Historical Weekend**“ and „**International Folklore Festival**“ this year.

Historical Weekend has been held since 1995 and it has always been in the spirit of the renaissance and fencing battles, however this year it will be held in the style of the First Republic. Yet, the traditional parade of ghosts is arranged.

The CIOFF® Pilsen International Folklore Festival has been the meeting place for folk art lovers since 1997. Every year, about twenty adults and children's folklore ensembles from all over the Czech Republic and abroad, including guests from exotic places of the world, participate in it. Festival programs take place in the historical center of the town (the scene „U Branky“, Smetana's Sady).
